

A message of solidarity

A message of solidarity with Jeremy Corbyn from Palestine

We the undersigned, express our solidarity with Mr. Corbyn following the unfair decision by the British Labour party to suspend such a principled man. For all of us in Palestine, Mr. Corbyn's stands represented a principled path toward social justice and freedom for all human beings regardless of sex, race, faith, ideology or political views.

We consider Mr. Corbyn's position on Palestine cause as a moral compensation for the ethical responsibility which Britain bears, as a mandatory power, for creating the 1948 Nakba and for its failure to abide by the League of Nation Charter (Article 22) to place Palestine on the path to independence and self-determination. On the other hand, Britain succeeded remarkably in the implementation of the Balfour Declaration, whose 103rd anniversary coincided with the unjust decision taken by the Labor Party to suspend Mr. Corbyn.

We denounce the unfair accusations of anti-Semitism against Mr., Corbyn. We have always known Mr. Corbyn to be a strong fighter against racism including Anti-Semitism. We will always share his stands in fighting Anti-Semitism, Islamophobia and all forms of racism.

This is why we see these accusations as a malicious attempt to cover Israeli oppression, injustice and War Crimes which were, and are being, committed against us for long decades by Imperialism and colonial Zionism.

We emphasize that exposing Israeli crimes against the Palestinians is not in any way a form of anti-Semitism. To cover Israeli crimes against the Palestinians is an insult to the memory of all innocent Jews who lost their lives in the Holocaust.

We issue this statement to show our support and solidarity with Mr. Corbyn and his comrades.

Palestine & Diaspora. Arab Political activists and intellectuals against racism and injustice.
