

# **The Ongoing NAKBA with Saif Kassis of Badil**

---

**Tuesday 16th May, 7pm  
Showroom 5, Sheffield**

---

**May 15th this year will mark the 75th anniversary of the Nakba when more than 750000 Palestinians became refugees and over 500 villages were destroyed.**

The Nakba continues every day through a system of apartheid that sees Palestinians suffer

- arbitrary arrest
- house demolitions
- restrictions on movement
- denial of clean water supplies

We are really pleased to welcome Saif, the international advocacy officer for Badil, who will give us an up to date view and tell us more about Badil's important work defending refugee rights.

**Come to the meeting and find out more about what we can do to stand with Palestinian people!**
